1 A. I do, yeah.

2 MR. JUSTICE [REDACTED]: Do you consider there is
3 anything inconsistent about
4 the contents of those documents or not?

5 A. I do, I actually see that this was written on the
6 16th of January and I actually don't know what day it
7 might have been, but either she had this written just
8 for after that date or something, that is the only
9 thing I can come to the conclusion of.

10 MR. JUSTICE [REDACTED] Any questions?

11 A. But I probably -- you see it is dated the 15th and I
12 would have written the letter, you see, the day after.
13 That is only just looking at it now, like, that she had
14 it dated the 15th, right, so the written letter
15 probably the day after.

16 MR. JUSTICE [REDACTED] Thank you very much. We
17 will take this case up at
18 11 o'clock tomorrow.

20 THE HEARING WAS THEN ADJOURNED TO THURSDAY,
